JUST MEDIA

Just Media is a Marketing Design Agency located in Marbella, Spain.

We bring creativity across all aspects of marketing design and implementation for local and international clients.

We produce graphic design with real purpose for all formats of marketing material and messages. Our skill sets enable us to devise, design and develop; websites, corporate branding, logos, literature, signage, brochures, illustrations, exhibitions, direct mail, posters, and billboards. You name it - We'll create it, to drive results.

We produce effective communication in design and bespoke media strategies for above the line, below the line and on-line interactive campaigns and optimisation.

Our client work has been showcased across pan European advertising campaigns, devised by our imagination and endorsed by our professionalism.

We are committed to execute effective creative marketing solutions for our clients that reach the right audience in the right place with thought provoking imagery and messages to achieve standout!

A Recent Web Design

{Advertising anecdotes capture my imagination}. Package me an idea in Marbella and I shall post it over Europe! / **Find me an advertising agency before I am out marketed.**/ Just Media shook the fonts out of Andalusia. "Corporate Branding is the font of Market identity." *{Vision and inspiration are in our blood and coffee}* *Success is telling you what you're marketing well!* Whether online or in Puerto Banus, flaunt your metatag. Corporate design made me famous. **Optimization found me.** *Interactive media inspires double vision.* *{Visual communication is an optical pleasure}* We took a megabyte out of the Costa del Sol. **(Colour schemes cured me!)** Graphic design is the alternative to ignorance and misconception. Press release and let go. *[Viral creativity is nothing without results]*. Remember to research like it is your last campaign. I love your curves from the bottom of **Photosho.** ***In the creative process, the first thing we notice about others is their difference*.** **Media Garage** promotions oozes creativity fresh off the factory floor. **Creative** sponsorship is making marketing happen . . .
